We nurture our learners to be job providers rather than job seekers. This is resorted to by fostering the skill and enhancement of knowledge base of our students through various extracurricular, co-curricular and curricular activities by our faculty, who keep themselves abreast by various research and FDPs and attending Seminars/Conferences. The Alumni has a key role here by inception of SAARTHI Mentorship program who update and create professional environment for learners centric academic ambiance and bridging industry-academia gap.

Our faculty make distinctive contribution not only to students but to Academia through publications, seminars, conferences apart from quality education. We also believe in enhancing corporate level interaction including industrial projects, undertaken by our students under continuous guidance of our faculty. These form the core of our efforts which has resulted in being one of the premier institutes of management.

At BVIMR, we are imparting quality education in management at Doctorate, Post Graduate and Under Graduate levels. I am proud to share that more than 7500 students have graduated from the Institute since inception.

We constantly strive to meet our stakeholders' expectations and serve the academic community and help our motherland develop good human beings, who serve their family, society, nation and then be global citizen.
