About Bharati Vidyapeeth University, Institute of Management & Research, New Delhi (BVIMR) at a Glance:

BVIMR, an ISO 9001:2008 certified Institute, was established in 1992 and has been ranked in the top 50 B-Schools in India by Business India, Hindustan Times and Outlook in their Oct/Nov 2010 issue respectively. Its MBA program is accredited by NBA, AICTE. It is also the recipient of 'B-School Leadership Award' from Star News. Having four acres oasis in West Delhi, it is the only Institute attached with Metro Station (Paschim Vihar, East). BVIMR has world class infrastructural and institutional facilities (state of the art facilities, air-conditioned classrooms, library, and hostel) which facilitate excellence in teaching, research, consultation and other professional activities.

ABOUT THE PROGRAMME

Entrepreneurship is the life blood of an economy. Entrepreneurs are born, made, nurtured and supported. Entrepreneurship Development has been taught as a mandatory subject in all leading universities of India and abroad. Today, every economy is looking for the 'job givers, not only for the job seekers'.

OBJECTIVE OF THE PROGRAMME

This faculty development programme will focus on research writing skills and paper publication skills. The outcome of the workshop cum FDP will be complete research paper which can be published in national or international journal. This FDP will also focus on thesis writing skills for Ph.D. scholars and faculty members pursuing Ph.D. The another objective of the programme will be to provide teaching pedagogy for entrepreneurship development

PEDAGOGICAL TOOLS & METHODOLOGY

The pedagogy adopted for training will include the following methods and tools:

- How to identify the ideas of research for writing papers
- Discussion on the structure and presentation of research paper writing skills
- Lecture, Group Discussions, Case studies & Role Plays.
- Thesis writing skills How to identify potential student for entrepreneurship and mentor their ideas
- Developing b-plan and teaching pedagogy of entrepreneurship.
- Group Work, Industry Visits and practice sessions.

This faculty development programme focus will be ensuring maximum interaction between participants and the experts.
