As you are aware of the total intake of BBA & BCA programme which are mentioned in the information brochure, it may happen in the case of some candidates that admission to some or all of these Programmes would be over before their turn comes up. It will then not be possible to consider them for admission to any programme or institute of their choice. In such situation we do not owe any responsibility.

The commencement of the academic session for the first year student will be informed by the respective institute. All students who will be given provisional admissions to the respective programme have to compulsorily attend from that day.
