FOUNDER - CHANCELLOR

As the Chancellor of Bharati Vidyapeeth University I extend a very warm welcome to the students who are desirous of seeking admissions in our different Constituent units.

Bharati Vidyapeeth, the parent organization of this University, celebrated last year as its Golden Jubilee Year. The celebration concluded on 25th of June 2015 at a grand ceremony at the auspicious hands of Honorable Pranab Mukharjee, the president of India. At this moment my mind goes back over a period of five decades. Bharati Vidyapeeth initiated its academic journey with a single school. Now it is one of the premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges with 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may not be any disciplines either conventional or emerging for which Bharati Vidyapeeth has not established its institution.

Within a short period of 20 years or so, Bharati Vidyapeeth University has established its academic reputation even across the national borders. Its high level of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is

that it has been awarded a prestigious 'A' grade by the NAAC both in its first accreditation and also in reaccreditation. An approval by the UGC under Section 12B of its Act which our University has received by another feather in the cap of the University.

We at this University are committed to make available to our students a wide spectrum of academic options to choose from.

It has also been our endeavour to provide continuously updated education in a congenial environment to our students. I am very happy that a very large number of our past students have established their reputation as Medical Practitioners, Engineers, Pharmacy Industrialists and the like not only at the national level but also at the international level. Research is a focal area of activities of our University. We have three Research Institutes as constituent units of University. They are doing remarkable work. However, our aim is to develop this University as a Research University.

I again welcome all of you and wish you a very successful academic career as students of this University.

From The Vice Chancellor Desk

Prof. Dr. Shivajirao Kadam

M.Sc., Ph.D.

Vice Chancellor
Bharati Vidyapeeth University

Dear Students,

At the outset, let me welcome all of you who are intending to join our University.

I am extremely happy to note that you have selected our University for your further studies. All of you know that Bharati Vidyapeeth University is one of the leading Universities in the country having 'A' grade awarded by Ministry of Human Resource Development, Government of India.

It is also accredited with prestigious 'A' grade in 2004 and reaccredited with 'A' grade in 2011 by the NAAC, Bangalore. It is also significant to note that some of its constituent units have ISO 2001-2009 certification. Our University has excellent infrastructure for all its constituent Institutions such as well-structured spacious buildings, continuously updated laboratories and hostels with all necessary amenities and facilities.

Today, the horizons of knowledge are expanding exponentially. It is, therefore, a challenge to cope up with this vibrant system of higher education and Bharati Vidyapeeth University is well-equipped to impart latest training and education to its students. We are committed to provide excellent teaching, learning and research under our 12 faculties. The University continuously updates the courses of studies being taught in our constituent Institutions, keeping in view, the rapid changes and dynamism around. Our libraries are continuously updated. The University ensures not

only high quality training, education in the respective areas of knowledge to the students, but also places emphasis on all-round development of the students. Abundant opportunities are also provided for co-curricular and extracurricular activities on the campus. In the discharge of its social obligations, the University is, no doubt, committed to see that the students graduating from this University are well-trained and well-prepared for jobs and become responsible citizens of the country.

The track record of the achievements of the University is indeed commendable. It is a matter of pride for us that scores of our students have achieved successes in their respective fields and established themselves in different spheres of life. We are aware that the success of any University largely depends on the number of successful students, it produces for the service of the society and the nation.

We, therefore, take every care for your bright future career and help you to translate your dreams into reality.

Once again, I take this opportunity to welcome all of you to the family of Bharati Vidyapeeth University and wish you success in your life.

EVENTS AND ACTIVITIES

GYAN BHARATI

We at IMRDA organize a National Level Book Fair 'GYAN BHARATI' annually. It is one of the major attractions for the general public in this part of the world. GyanBharati has been well received by all the age groups right from very young children, college students to professionals and voracious readers. Leading publishing houses from across India

participate in this book fair. Internationally renowned Popular Publishers & bookstores claim that the people's interest in books has gone up dramatically because of our annual exhibition. GyanBharati is a very good platform for the budding professionals to showcase their talents to professionally manage an event independently with very little participation from the faculty

CULTURAL, CO-CURRICULAR AND SPORTS ACTIVITIES

In addition to its continuing rich tradition of excellent academic performance, the students of IMRDA are equally good in sports and other cultural activities. A few students have been selected to compete at the national level competition.

FRESHER'S DAY

The new students are welcomed into the IMRDA family by the existing IMRDAians with a grand fresher's day at the beginning of the academic year. An informal introduction of students marks the day long function. This sort of interaction helps the new students to adapt to the new conditions in a very effective manner within a short period of time.

MANCON

Another grandeur of IMRDA is 'MANCON'. The students figuring in the Merit List, Best Students and Best Class by measuring the performance of consecutive years are awarded by distinguished personalities who are invited as chief guests to grace the occasion. Annual exhibition is also displayed along with the cultural events during this function. The students participate with great interest and work hand-in-hand in order to make the occasion a grand success.

13. The mode of Test shall be as given below :

The Admission Test B-UMAT-2016 aims at assessing the abilities of the candidate to critically understand the subject/problem and to apply prior knowledge and to use problem solving skills in a comprehensive manner. Level of knowledge upto HSC (10+2 std.) who has completed 12 years of education leading to HSC or equivalent examination. The candidate's task-orientation and time management ability are also tested as the 200 objective type questions are expected to be completed within a specific time limit of 2 & 1/2 hours. There is no negative marking.

The Test of Numerical Aptitude : 60 Questions

This test is designed to assess the candidate's ability to work with numbers, carry out numerical calculations, ratios and proportions basic mathematical formula with speed and accuracy. The test would also contain questions regarding data interpretation, graphs and charts, among others.
Level of study of Mathematics will be upto 10th Std./ SSC / SSLC

Test of Reasoning / Logical Aptitude: 60 Questions

The test is designed to observe and understand a candidate's ability to read between the lines and to see through the situation without getting confused. These qualities would be tested by asking questions based on figures, series, missing links and abstract reasoning.

The Test of Verbal Ability : 60 Questions

This test is designed to judge the candidate's knowledge and understanding of English language while there would be questions pertaining to Grammar, Vocabulary, synonyms, antonym, sentence completion etc. Due weightage would also be given on the choice of appropriate words, expressions, phrases and similar linguistic skills.

The Test of Reading Comprehension : 20 Questions

This Test is designed to judge the candidate's ability to comprehend the matter. There would be passages based on topical and classical issues and questions will be asked on the basis of same.

How to answer the questions

Each question in the multiple choice objective questions test will have 4 options. The candidate is required to select the most appropriate option as the answer and mark it

While so doing, the candidate is required to make use of Blue or Black ball point pen or HB Pencil and darken the oval / square, containing the option number considered most appropriate by the candidate.

The answer is to be marked as shown below :

Q. No. 5. Who was the only Indian sport person to win a medal in the Sydney Olympics 2000?

- A) P.T. Usha B) Leander Paes C) Malleshwari D) V. Anand

How to mark your Answers

Each question is followed by answers which are numbered (A), (B), (C) (D) as in above. Select the most appropriate answer. Then by using HB pencil or blue or black ball point pen, blacken the circle bearing the correct answer against the appropriate serial number of the question. (Refer to side 2 of the Specimen Answersheet). Please note that the circle should be dark enough and should be filled in completely. For example, if the correct answer to Question Number 5 is answer number C, it should be shown as follows:

Q. 5.

How to change your answer

If you wish to change your answer ERASE COMPLETELY the already darkened oval by using good quality eraser and then blacken the new oval bearing your revised answer.

While changing the answer, erasing the earlier answer completely is extremely essential. If it is not erased completely smudges will be left on the erased oval / square as shown below and the question will be read as having two answers and will be ignored for giving you credit.

Very Important

Please note that you SHOULD NOT USE an H, 2H/HH, 3H type Pencil. The marks made by such hard pencil will be too light as shown below and will not be read by the computerised machine.

So such hard pencils are NOT TO BE USED.

If you use too soft pencils (drawing pencil) like B/BB/2B etc., your marks will be too dark. So, when you want to change your answer by erasing the first one, there may be smudge or dark mark in place of the erased answer and around it, as shown below.

Therefore use only HB Pencils or Blue or black ball point pen.

Please DO NOT mark your answers to fill up information by using different methods of marking as illustrated below :
